The Bartie Bristle Hotel & Spa

Situated in the beautiful village of Beaulieu in the heart of the New Forest, the Bartie Bristle Hotel and Spa offers a relaxing retreat for your beloved bear.

The hotel is situated within Bear It In Mind on the High Street, where guests reside in their own delightfully refurbished apple crate complete with soft furnishings and tasteful artwork.

Bartie will offer your Teddy bear tours around the locality including donkey rides and picnics. Visitors may prefer to remain at the hotel and rest in our residents' lounge, play in our games room or simply relax in the roof top garden.

Hotel Lounge

Each spa break includes a special pampering session. This consists of an expert consultation to assess needs, a cleansing treatment (appropriate to age and type of fur etc.), and a tone and finish.

Luxury Bathroom

Extras such as a warm scented steam bath can be requested at the time of booking and we are also able to offer cosmetic surgery. These procedures include replacement eyes, joints, paw pads etc... Please see enclosed leaflet.

Bartie uses a team of beary beauty consultants to assist in this part of the stay.

Once your dear friend is feeling refreshed and revived, he will be ready to go home with a small souvenir from his stay.

Donkey rides

Due to the nature of these special breaks, we are unable to determine how long your bear will want to stay with us.

All bears are returned by special delivery, and we will let you know when they're on their way.
